The New Daily Advisory Service from XXXXXXXX

**Yours FREE for 30 days - Absolutely No Obligation
and No Credit Card needed!**

Dear Friend:

The XXX is a daily market advisory featuring my exclusive commentary, which shows you EXACTLY how to profit from significant events worldwide.

Now you can join a select group of investors who receive my daily market commentary – along with specific buy and sell recommendations – every weekday evening... The daily advisory will be delivered directly to your e-mail box — ABSOLUTELY FREE of charge!

That's right - there's absolutely no cost or obligation to you – feel free to trade along with me as often as you like during this FREE trial period. Kick the tires a little and see for yourself how my daily market commentary measures up.

I truly believe that 2005 will provide my readers with a most exhilarating and very profitable ride. I hope you'll take a moment right now to sign up for your FREE trial, so you can join us!

FREE BONUS When You Act Now!

When you sign up to receive the XXXXXXXX, you'll also receive a very special FREE gift. For a limited time, we've made arrangements with the publisher to provide a FREE copy of Louis Mendelsohn's Trend Forecasting with Technical Analysis to all new XXXXX subscribers. This groundbreaking book gives today's traders – like you and I – all the tools needed to make more winning trades...more often.

This book normally sells for \$19.95, but as a part of this special offer I'm sending you a copy FREE of charge.... In this remarkable book – a must for all serious investors – Mendelsohn presents a comprehensive approach, combining technical and intermarket analysis into one powerful framework for accurately forecasting trends.

You'll also discover:

- Precise trading strategies that can be used by both day traders and position traders
- The limitations of traditional technical analysis methods

- How to use moving averages as a leading – not lagging – indicator by the application of networks to intermarket analysis.

This offer—including a free 30-day subscription to the XXXXXXXX and a free copy of Louis Mendelsohn's Trend Forecasting with Technical Analysis—is available for a limited time only.

I encourage you to please act now - before this offer is no longer available to the public!
