Google and Yahoo combined generated about \$6.5 billion in revenue last year. The year before, their combined revenues equaled about \$2.5 billion. Simply stunning growth!

More importantly, projected search revenues are expected to surpass:

\$10 billion in 2006

\$13 billion in 2007

\$16 billion in 2008

\$19 billion in 2009

Search revenues are projected to be in the \$25 billion range by the end of the decade!
