No Special Skills are Necessary to Use WEBPADDER - Anyone Can Do It!

Thursday - June 1, 2005

Dear Marketer:

If you are like most people, you probably struggle daily with “information overload”. We live in the digital age - so it’s easy to forget even the most simple details or tasks.

Well, thanks to the newly released WEBPADDER software, your struggle with ‘to-do’ lists can finally end. Now, using this very simple application, literally, ANYONE can manage ANY open task from ANYWHERE in the world. All you need is an internet connection, and you’re ready to start managing an unlimited number of projects and open tasks... all easily and efficiently.

#### **HOW IT WORKS:**

WEBPADDER is unlike any other software because it organizes MULTIPLE task lists with a few simple mouse clicks. You’ll never waste your precious time searching endlessly for important notes, open task lists, and current projects.

WEBPADDER keeps all your important tasks and projects in one place (right on the web), allowing you to easily add, edit, and delete new tasks quickly.

NEW—File Manager Feature: WEBPADDER allows you to attach external files to any open task (all image, .txt, HTML, and .zip Files are accepted). Now you’ll never lose any supportive documents—WEBPADDER keeps everything in one place! Add, Delete, and Edit new external files with WEBPADDER’s File Manager.

The New Email Feature allows you to update anyone about changes or additions to a task—great for keeping clients updated about any new project changes.

### **WEBPADDER Features Include:**

- Manage All Your Open Tasks in an EZ-To-Use Web Interface.
- Access Your Open Tasks from ANYWHERE in the World AT ANYTIME!
- Manage Multiple Projects and “To-Do” Lists with Ease.
- Manage Unlimited Projects and Tasks and Keep Your Daily Activities More Organized and Efficient!
- Securely Back up Your WebPadder Data anytime and Save All of Your Open Tasks Easily.
- NEW - Email a Copy of Any Open Task List You Choose to Your Staff or Colleagues. This is a FANTASTIC OPTION for Production Schedule Updates.
- Quickly Index Your Most Current and Active Projects with a Few Simple Mouse clicks.
- NEW - File Manager: Attach External Files to Any Open Task (Image, .Txt, HTML and Zip Files Accepted!)
- Easily Close and Re-Open Task Lists as You Need So That You Can Remain Efficient.
